1000's of Uses

- Use Enviro-Cloths to clean most things in the home – great on shower screens, bathroom tiles, greasy stove tops, kitchen benches, sinks, stainless steel, windows, mirrors, silverware, all types of floor surfaces.
- Number 1 for shopfittings – windows, glass display cases.
- Use for cleaning the car, boat or motorcycle– windows inside and out, car trim.
- Great on animals with shiny coats such as horses & dogs.... They leave the coat shiny and feeling clean.
- Also No 1 for sporting gear & gym equipment, cleans fly screens easily, spot clean carpets and furniture.

How to use Enviro-Cloths

- Before the first use, rinse the Enviro-Cloth thoroughly in hot water. Wring out as dry as possible.
- It can be used dry or damp.
- When used for dusting it will lift and store dust and dirt. When it becomes full of dirt simply rinse the cloth in hot water.
- The most efficient way to tackle grimy or greasy jobs is to simply rinse the Enviro-Cloth in hot water, wring out as dry as possible, wipe over the surface to be cleaned and walk away! The surface will dry clean and without smears.
- Whilst cleaning, occasionally re-rinse in hot water and wring out.
- When the Enviro-Cloth looks too grimy, simply wash either by hand or in a washing machine using your favourite soap or laundry powder. Do not use bleach or fabric softener.
